

## **EXECUTIVE SUMMARY**

### **OF A DECISION OF THE ACCREDITATION COUNCIL**

**on the results of the completed procedure for post-accreditation monitoring and control on the implementation of the recommendations stipulated in the decision of the Standing Committee on economic sciences and management of 14.01.15 at programme accreditation of a professional field 3.7 “Administration and management” at the Technical University of Sofia**

The procedure was opened at a meeting of the Standing Committee on post-accreditation monitoring and control of 15.12.2017 in accordance with the Schedule for post-accreditation monitoring and control and the procedures, adopted by the Accreditation Council pursuant to art. 70 and art. 63 of the Rules of Procedure of NEAA. At a meeting held on 17.05.2018 the Standing Committee on PAMC adopted a report on the implementation of the recommendations and prepared a draft decision of the Accreditation Council based on the analysis of the required report from the higher school and the evidence provided. The draft decision reflected **observations and assessments on the implementation of the recommendations**.

After considering the report of the Standing Committee on post-accreditation monitoring and control the Accreditation Council took the following **DECISIONS** on 05.07.2018:

**1. Approves the report of the SC on PAMC on the post-accreditation monitoring and control over the implementation of the recommendations stipulated in the decision of the Standing Committee on economic sciences and management of 14.01.2015 (Protocol № 2) at programme accreditation of a professional field 3.7 “Administration and management ” for EQDs “Professional Bachelor”, “Bachelor” and “Master” at the Technical University of Sofia with an overall assessment of 8.98 (eight, point ninety-eight hundredths).**

**2. The Accreditation Council notes that the Technical University of Sofia has fulfilled recommendation № 1 and is fulfilling recommendation № 2, formulated in the decision of the Standing Committee on economic sciences and management of 14.01.2015 (Protocol № 2) at programme accreditation of a professional field 3.7 “Administration and management” for EQDs “Professional Bachelor”, “Bachelor” and “Master” with an overall assessment of 8.98 (eight, point ninety-eight hundredths).**

**3. The Technical University of Sofia should implement Recommendation No. 1 until the beginning of the next academic year 2018/2019, bringing the syllabuses and curricula, in their part to offer optional subject, in accordance with the legal requirements. For its implementation, the Technical University of Sofia should inform the SC about PAMC.**

**- Recommendation 1: "The curricula and programmes in the part to offer optional subjects should be brought into line with the legal requirements. Deadline: school year 2015/2016"**

**4. The Technical University of Sofia does not exceed the capacity of the professional 3.7 "Administration and management", determined by a decision of the Standing Committee on economic sciences and management at NEAA.**

**President of NEAA**

**Prof. Petya Kabakchieva, PhD**
